HARITHAM
CHILD DEVELOPMENT CENTRE
TRUSTED BY PARENTS, LOVED BY CHILDREN

Haritham Child Development Centre, is established exclusively for fostering a nurturing environment where children can explore, grow, and reach their full potential, Guidance and Treatments are done by compassionate professionals who specialize in child psychology, early childhood education, and development to guide each child effectively.

VISION

At Haritham CDC, we are committed to helping children with developmental disabilities reach their highest potential. Every child is unique, and we believe in celebrating their individuality while supporting their growth in a compassionate and understanding environment.

We offer personalized care and specialized therapies designed to support each child's developmental journey. Our team of skilled professionals works closely with families to create tailored intervention plans that foster mental, emotional, physical, cognitive, and social development.

At Haritham, we believe every child deserves the chance to develop the skills they need to reach their full potential. We're here to walk alongside you and your child-celebrating small steps and big milestones together.

We provide expert support and intervention for children with:

- Autism Spectrum Disorder (ASD)
- Attention Deficit Hyperactivity Disorder (ADHD)
- Speech & Language Delays
- Intellectual and Learning Disabilities
- Cerebral Palsy
- Down Syndrome
- Sensory Processing Difficulties
- Other Developmental Challenges
